La Beauté commence par la qualité de la peau. ™

Over time, the health of our skin is directly impacted by our lifestyle and external factors. The secret for preserving it is to take care of it as early as possible.

Renowned as a key player in the field of aesthetic medicine, REVITACARE has been inspired by its injectable medical devices, based on **hyaluronic acid** and specific ingredients, which prevent and correct the visible signs of aging to expand its product range with sterile cosmetics products, care dedicated to **aesthetic professionals**:

C Line

This range underlines a true experience of high-end technical care inspired by the scientific know-how of aesthetic medicine and are adapted to institutes and spas expectations.
